

DEPARTMENT OF PUBLIC WORKS

TOWN OF ARLINGTON
51 Grove Street
Arlington, Massachusetts 02476

Date: September 18, 2012
To: Arlington Residents
From: Arlington Public Works, Water Division
RE: **Annual Hydrant Flushing and Valve Testing**

Dear Resident:

The Arlington Water Division will be flushing hydrants and checking street valves as part of their annual maintenance procedures. The work will occur in the area indicated as Phase 4 on the attached map between September 24th and November 30th. This work will generally occur Monday through Saturday from 3:00pm to 11:00pm (weather permitting).

Hydrants along this area will be opened, flushed, and valves will be checked. Abutters of the area may experience temporary low water pressure or discolored (rusty) water. If you experience rusty water in your home, this is not an unsafe condition. It is advised that you run the faucets until you have clean water. Do not run your hot water or do laundry until your water is clear. If problems persist please contact the DPW Dispatch at 781-316-3301.
